

Family events and celebrations

A holiday where you are a guest, not an organizer.

Two comfort zones. We create different scenarios: an exquisite buffet for adults and simple, healthy food for children. It will be equally delicious for everyone.

Clean ingredients. No hidden additives. Only products we give to our own children: farm meat, fresh berries, and homemade sauces.

"Clean hands" format. One-bite snacks. Children won't stain their fancy dresses or the furniture, and adults don't need forks to enjoy a bruschetta.

Full control without your involvement. We will calculate the portions ourselves, take allergies into account, organize logistics to a park or a loft, and provide restaurant-style plating. You just enjoy the moment.

Our real cases

Nº1: family buffet (home / loft, 20+ people)

Task:

Create a stylish holiday for 40+ guests, where the quality of appetizers is important for adults, and simplicity is key for children.

Solution:

A split set. An exquisite menu with duck confit and salmon for parents + simple sandwiches and fruit for children.

Details:

- **Guests:** 25 adults + 18 children.
- **Menu:** Brie bruschettas, vitello tonnato, mini Caesar (for adults); Turkey sandwiches and vegetable sticks (for children).
- **Cost:** ~€20/adult, ~€10/child.
- **Total:** €740 including table setting.

Extra feature:

Plating from the boxes by our team; the table looks like a restaurant in 15 minutes.

Nº2: Kids Boxes (Active celebration)

Task:

Feed a group of children during breaks between animation. Fast, healthy, and without unnecessary mess.

Solution:

Kids Boxes — individual sets with an emphasis on vitamins and energy.

Details:

- **Guests:** 12 children.
- **In the box:** Berry mix, quesadilla, chicken teriyaki skewers, vegetables with hummus.
- **Cost:** ~€22-27/child.
- **Total:** €288 with self-pickup.

Why it works:

Mothers don't need to cut or arrange anything. Each child receives their own box; it is hygienic and children love it.

Nº3: Filling picnic (Park / Outdoors)

Task:

Feed people a filling meal outdoors with a limited budget and lack of facilities.

Solution:

A set of hot and cold appetizers that don't cool down instantly and are very satisfying.

Details:

- **Guests:** 15 adults + 6 children.
- **Menu:** Salmon and chicken skewers, mozzarella cups, family pizza, vegetable sets.
- **Cost:** ~€14-17 per guest.
- **Total:** €340 with delivery.

Service:

Assistance with a unified event styling.
